SHUTTLEWAGON

A red shuttle wagon is shown from a front-facing perspective. The vehicle has a prominent red hood with a silver metal handrail on the left side. The front panel features a large central window and two side windows, all with black frames. Above the central window, the word "SHUTTLEWAGON" is printed in yellow, bold, sans-serif capital letters. The hood of the wagon is highly reflective, showing a clear reflection of the text on the front panel. The background consists of a clear blue sky, a flat, open landscape, and some industrial buildings in the distance.
