RIM GUARD

A close-up photograph of a heavy-duty metal tire tread, likely from a construction vehicle, resting on a pile of grey gravel. The tire tread is made of a dark, weathered metal and features several raised, rectangular lugs. The text "SAFETY-LINE" is embossed on the metal surface above the lugs. Below the lugs, the word "SOLIDEAL" is embossed in large, bold, capital letters, followed by a registered trademark symbol (®). Underneath "SOLIDEAL", the words "WIDE WALL" are embossed in smaller capital letters. The gravel consists of irregular, angular pieces of stone in various shades of grey and blue.
